## Champions of Halewood AGAIN!!!!

On Thursday 13<sup>th</sup> March 2025, the Year 56 Boys team won the Halewood football league for the second year running. They were very successful in the last round winning all their games except one and not conceding a goal.

Despite Ethan not having much to do in goal, he distributed the ball fantastically well and pulled off an outstanding save to maintain his clean sheet. Theo and Cian formed a formidable partnership in defence, making many great tackles and an amazing clearance off the line to keep the team undefeated. In the absence of Theo, Lee played in centre midfield and was very effective in linking up with the attack. Georgie gave 100% to everything he did showing his wonderful dribbling skills and scoring a crucial goal in a tight game against the leaders, St Marks.

Gerard, who was making his debut in the team, worked hard on the attack and started his goal scoring form with a couple of neat finishes. Mason and Joseph alternated on the wing winning the ball back well and creating chances for the attackers. Elijah gave his usual wonderful effort and capped off his performance with a neat finish in the dying minutes of the third game. The team will now compete in the Knowsley Finals. A big well done to all the lads who have played in the tournaments this year.
