

### Selection Boxes

We would like to say a huge thank you to Mr Bowden-Davies for the selection boxes

They were yummy!

We would like to say a big thank you to our anonymous donor who donated toys for children this year.

We really do appreciate it.

## We have received a notice regarding planned roadworks

These works are to take place from 5th January up to April.  
Current highway and cycleway improvement works currently  
underway on A562 Higher Road in Halewood. The works at the  
junction of A562 Higher Road and Wood Road will incur delay and  
disruption during the construction phase and it would be beneficial for  
all users of the junction if the amount of vehicles could be reduced.  
The impact of the construction works is unavoidable but the outcomes  
will be widely beneficial for all users including pedestrians, disability  
groups, cyclists and drivers of all vehicles.
