

Nursery

A wonderful week of scientific investigations.

Wow work and exploring our environment.

Car Park

Parent/Carers please can we ask that you reverse park, this is so when you are driving off you can see if children are walking across the car park.

Time for Bed

Time for Bed provides beds to children who do not have a bed of their own. We link with Merseyside teaching professionals to refer pupils in need and deliver bed bundles into their home. If you need extra help please contact school.

Bundles consist of a bed base or cot bed, mattress and warm, comfortable bedding, to ensure a child is able to get a good night's sleep, develop and reach their full potential.

There are many reasons why a child may not have a bed of their own. We know that just 2% of social housing is let as furnished, creating a cycle of poverty where individuals do not have the essential items needed to live – and no place for a child to sleep.

Y3 Class Prayer

Dear God,

Thank you for trees and grass.

Thank you for people and the world.

Thank you for the fun we have in it.

Amen
