

## Knowsley in the Wild Session

We had a wonderful visit from Knowsley Safari Park who taught us about different animals, the impact humans have on their environment and how to support animals in the future who need our help.

### Children's Mental Health Week

We are celebrating Children's Mental Health Week, on Friday 13th February by wearing bright colours or colours that make you feel better in yourself.

**We will also be holding a cake sale £2 for the day. Please send in your cake donations.**

The theme for this year's Children's Mental Health Week is 'This is my Place'.

That means feeling like you're part of something, such as your family, your school, your group of friends or a team. These happy moments help us feel connected, valued, and accepted. When we feel like we belong, we feel happy, safe, and ready to learn and play.

It helps us grow strong in our minds and bodies, and it makes it easier to make friends, do well in school, and feel good about ourselves.

### Year 1 Class Prayer

Dear God,

We pray for those animals in need of our support in our world.

We thank the people in zoos and parks for looking after our world's animals.

Keep your creatures safe and happy God.

Amen

*Succeeding Together in Faith and Love*

Head teacher  
superstars for living  
out our mission of  
Succeeding  
Together in Faith  
and Love.
